	Double Pole	1D23W	22A	120/240 VAC

Broan-NuTone offers a wide range of quality products that add comfort, convenience and style to your home.

From Ultra Silent bath fans, powerful central vacuum systems and resonant tones of Westminster chimes to the breathtaking design of Rangemaster® range hoods, you will see the difference. It's in the details.

All our products are manufactured to the highest quality and industry standards, ensuring delivery of nothing less than the very best. Ventilation products such as bath fans and range hoods conform to the HOME VENTILATING INSTITUTE standards. This certification ensures the air-flow performance (CFM) and sound levels (Sones) published are exact, giving you information you can rely on to make your decision and find an effective ventilation solution for your home.

Broan-NuTone, improving quality of life, making every room feel a little more like home.
